

Friends of the Delbert Hunter Arboretum and Botanic Garden – Donation Form

Non-Profit Organization 501(c)3 Taxpayer ID # 93-0843369

Although we are located adjacent to the city park, we are not part of it. We're a separate non-profit organization. All labor is done by volunteers and all of our funding comes from donations.

Our goal is to maintain a tranquil space, displaying Oregon native plants for the education and enrichment of our community. Our trails are loved by joggers, dog walkers, and visitors young and old alike. Many also enjoy the creek that borders the arboretum on two sides.

Please consider being a "Friend of the Arboretum" with a tax deductible donation. Every dollar counts and 100% of every donation is used to maintain the arboretum and ensures its future.

Please accept my donation of \$ _____ and mark one or both boxes below:

- Please use this donation for day to day expenses of running the arboretum
 Please use this donation to support the Trust Fund - our nest egg for the future

We also accept donations as a memorial gifts. **Call us if you have a request for a special memorial.** Please leave a message and we will call you back as soon as possible: 503 623-4845

Checks Payable to: Delbert Hunter Arboretum

Mail to: Delbert Hunter Arboretum

Volunteer Form for The Delbert Hunter Arboretum

The Delbert Hunter Arboretum is a non-profit organization dependent on the work of volunteers. There are approximately seven acres of native plants featuring a woodland area with understory of shrubs and low growing species, wetland, open prairie, butterfly garden, and more. The arboretum is also habitat to native insects and other wildlife endemic to our area which helps conserve threatened and endangered species.

Please consider volunteering, a little bit or a lot, to help the Friends of Delbert Hunter Arboretum maintain the gardens. We typically meet on Tuesday mornings starting at 9:00 a.m. – from March to November.

You do not need prior experience. We do the training and have extra gardening tools on hand. We need help with watering, weeding, pruning, maintaining the trails, and many odd jobs. Many hands make light work.

My Name Is: _____

Phone: _____ **email:** _____

Address: _____

Mail completed form to: Delbert Hunter Arboretum - PO Box 604 - Dallas, OR 97338-0604

Revised 08/18/2021

If every person receiving this newsletter donated just two dollars...

It would pay for equipment
maintenance and repairs
for a whole year...

Or one visit from an arborist....

...or a double load of trail dressing.

Won't you please consider
mailing us a donation today
with whatever amount you're
comfortable with?

The arboretum is a local
treasure and it's your interest
and support that keeps us
going!

"We Thank You !"
