

# Hey Folks... Please Tell Us... What's Your Pleasure?

The Delbert Hunter Arboretum mails free newsletters to homes twice per year. We're going to start sending the newsletters to email addresses as well, so please tell us your preferences.

## Why Online News?

The advantage of online newsletters is that we can send you updates that occur between our normal twice yearly letters, notices of events, photos, and more. Additionally, it saves money and resources.

### However...

Some folks prefer home delivery of a paper copy, especially if there is information they wish to keep handy or to share with others.

Please Email Us at [hunterarboretum@outlook.com](mailto:hunterarboretum@outlook.com)

Tell us what you prefer (examples...)

- ✚ I want my free newsletters delivered to my home.
- ✚ I want my free newsletter delivered to my email.
- ✚ I prefer both methods. Please add my home and email address.
- ✚ I'm no longer interested. Please remove me from all mailing lists.

Our newsletters are also on the web: <http://www.delberthunterarboretum.org/>

*THANKS SO MUCH!*

Non-profit orgs lose donors when times are tough; we tend to become less of a priority, understandably. If everyone reading this newsletter could chip in the cost of a cup of coffee, we'd make it through to our next budget cycle.

Please consider a tax deductible contribution today.

Although we are located next to the city park, we are not part of it. We're a separate non-profit organization. All labor is done by volunteers and all of our funding comes from donations.

DHA is home to Oregon native plants for the education and enrichment of our community. Our trails are loved by joggers, dog walkers, and visitors young and old alike. Please come visit us!
